

**SilkRoad Performance
Release Notes
2020.5 | December 2020**

New features and improvements

New features and improvements are summarized [here](#).

Module	Release Note	Key	Salesforce Number
Employee Purge	Added uploaded documents and journal entries to what gets purged when an employee is purged.	RND-2504	
Feedback	Journals is a new feature added to the Feedback module. This feature requires Feedback to be turned on and allows employees and managers to make journal entries.	RND-84	
Reviews	When launching a review process, you can now see and scroll though the error list when there are more than 15 errors displayed.	RND-2478	
Reviews	The Review wizard now allows for a review to be configured to auto start (auto launch) by setting an auto start date, how often it should run, and reviewee filters.	RND-2339	
Reviews	Managers can now choose to download anonymous key reviews and have the resulting report not display the names of the key reviewers.	RND-90	
Reviews	Review processes can now be auto launched.	RND-89	
Reviews	A new csv export is available: Review Step Details. This export lists each review step, who completed the step, and when it was completed.	RND-85	
Uploaded Documents	When a document is uploaded by an employee, administrators and managers have access to view the document's tab and download the uploaded documents for viewing.	RND-2526	
Uploaded Documents	Administrators can turn on and off document uploads. (Administration>Profile Setup)	RND-2338	
Uploaded Documents	Employees can now upload up to five documents to their talent profiles. This feature can be turned on and off by administrators.	RND-87
