

SilkRoad Learning

Maintenance Update

Release Notes

2019.1.1, 2019.1.2

April, May 2019

Resolved issues

2019.1.2

Name	Tracking ID	Support Case	Description
Creating job with external key	GL-7111 PRODS-57122		Fixed issue where manually adding a new job with external key matching a deleted job blocked the job from being created whereas creating on import was allowed.
Student portal menu bar	GL-7116 PRODS-57348	00790713	Fixed issue where menu bar in Student portal did not appear on first login in Chrome and Edge.
AICC import	GL-7119 PRODS-57362	00790976	Fixed issue where importing an AICC course caused an error and did not correctly create the AICC content object

2019.1.1

Name	Tracking ID	Support Case	Description
My Team Add Registration	GL-7084		Fixed issue where a very large number of courses in the Add Registration list of My Teams caused loading issues.
Online Help video links	GL-7087		Fixed issue where video links in Online help were directed to outdated locations.
Competency URL	GL-7092 PRODS-56846		Fixed issue where a defined URL link for a Competency was not displayed in the Learning Plan Details or Training Details for the Competency.
