

**SilkRoad Learning
Release Notes
v2022.2 | May 2022**

New features and improvements

New features and improvements are summarized here. Need more details? Click [here](#).

Module	Release Note	Key	Salesforce Number
	Supervisors can now register their team into a bundle of courses. Once registered, the courses in the bundle are all registered to the team members and appear on their My Training page.	RND-3893	
	Users can now launch a course directly from the bundles detail page as well as from their My Training page.	RND-3891	
	SlikRoad Learning now provides the ability for licensed customers to access GO1 course content directly, browse and select courses from the GO1 Catalog, then import courses directly to a SilkRoad Learning course catalog.	RND-2501	

3 issues

Resolved issues

Module	Release Note	Key	Salesforce Number
	Fixed a cross-site scripting security risk.	RND-5614	
	Fixed issue where a Qualification certification period of zero (0) did not trigger a DUE status as expected when the activation period is calculated to be immediate.	RND-5410	
	Fixed issue where multi-session training events did not display all sessions if the sessions spanned more than two months.	RND-2541	

3 issues
