Resolved issues

Module	Release Note	Key	Salesforce Number
ATS	Corrected the issue that prevented the summary email from being sent to the Requisition Administrator after all approvers approved the requisition.	RND-6927	
ATS	Fixed an issue where any numbers entered into custom fields for job offers did not display in the correct format. The format is determined by the custom field setup and the locale of the user creating the offer.	RND-6887	
ATS	Corrected the issue that prevented the summary email from being sent to the Offer Administrator after all approvers approved the offer.	RND-6914
