Latest 2024.10

June 18, 2024

New features and enhancements

You can now filter profiles within a project by Mixed reviews. These are profiles that were sent out for review and were approved (thumbs up) by one or more reviewers but were also rejected by one or more reviewers.

More info

- Access Rival Community (link below) for additional information.

Client support

For technical assistance for any of our solutions, contact our client support staff at:

- **International Toll Free:** Access numbers via Rival Community
- **Rival Community:** <https://www.rivalcommunity.com>
No access? Email support@rival-hr.com for access.
- **Email:** support@rival-hr.com
